

EXPAND YOUR GAME 2018

● Hunting ● Breeding ● Tourism ● Products

Limpopo People and Parks

Esther Netshivhongweni (Mcom)

About People and Parks

- Established in 2003 after Cape Vidal Memorandum at the 5th World Parks Congress
- “Nothing for us on our land without us”
- Today 9 provincial people and parks forums with National forum
- Supported the Environmental Affairs department

People and Parks

- Led by the Provincial Executive Team chaired by Esther Netshivhongweni
- Communal Nature Reserves or Protected Areas
- CPA's with nature reserves, game farms or protected areas
- National Parks in the province
- First year focus : Cooperate Governance
- Next four years focus: community benefits, development and support

People and Parks.....

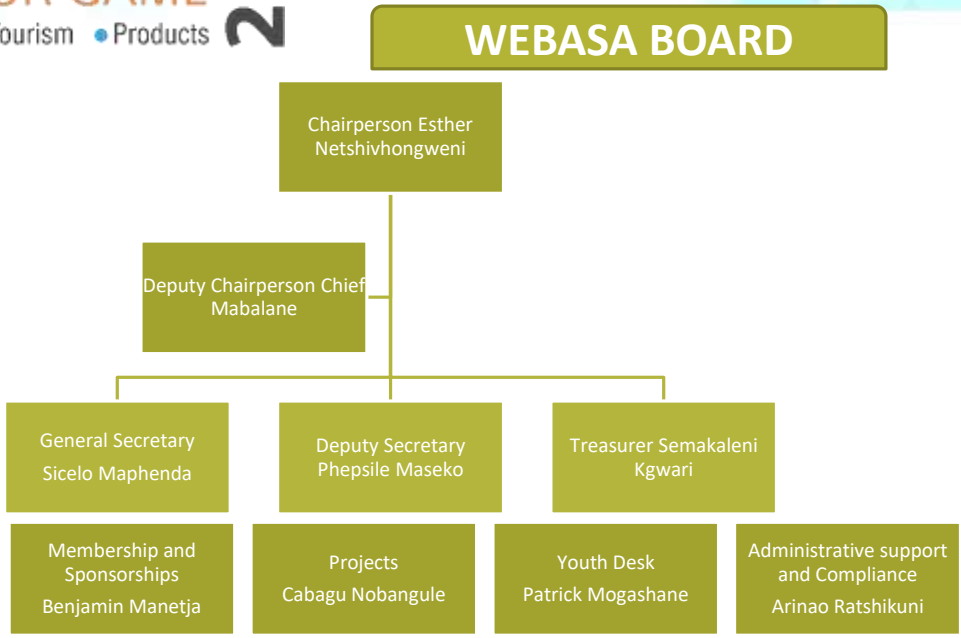

- Ready to work with organisations who are supportive of inclusive economic growth
- Take community transformation in the wildlife sector to the next level
- Both landless and land owners are responsible to find solution on land availability for wildlife

People and Parks.....

- Statistics has it that in 2016 there were 8 979 private game ranches covering 170,419 square kilometre
- In total, this sector in 2016 generated R5,5bn, R4,3bn from auctions, R2,6bn from hunting and R600m from meat production
- Employing approximately 65000 people earning an average salary of R3,441 a month
- A question: Is the sector economically beneficial to all?

Announcement!!!!

- Wildlife, Eco-tourism, Bio-prospecting and –trade Association of South Africa (WEBASA)
- Inclusive-: all environmental sub-sectors, all races and for the whole of South Africa

In all Provinces.....All Environmental Economic Sector.....
